

Practice Lab 2020 — Tentative Schedule

We will be rolling out Practice Lab 2020 on Tuesday, November 10th. Once Practice Lab 2020 is pushed, you will have access to TaxSlayer 2020 and TaxSlayer 2019 with your **Practice Lab** logins.

What does this mean at my production site?

Once we push TaxSlayer 2020, you will see TaxSlayer 2019, TaxSlayer 2018, TaxSlayer 2017, and TaxSlayer 2016 as options at your site.

Can I create returns in TaxSlayer 2019 at my production site?

No, you will only be able to create new returns for TaxSlayer 2020 with your Practice Lab username.

Will all of the 2020 updated tax law changes be available?

No, as the IRS releases final instructions and forms, we will be updating the PL 2020

When will 2020 states be available?

2020 states will not be released until January of 2021. If you are training on states, you will need to use PL 2019.
